Advance-Nilfisk Parts - Think about how tiresome it would actually be to tidy up your very own house right after having a big party, with out help from cleaning machines. In the past, the time upholstery and carpets had the dirt beat out of them manually; cleaning cloths, brushes and brooms were the best cleaning supplies during that time.

P.A. Fisker, the man who founded Nilfisk-Advance, was actually an electrical engineer who really loved working with electrical motors. Establishing the business in 1906, he began to make motors to be able to drive coffee grinders, drills, fans and machine tools. Mr. Fisker's vision from the start was to own a global business selling products worldwide.

The Nilfisk C1 was a remarkable breakthrough for the cleaning industry. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and could be operated by one individual. This creation came in a time where numerous cleaning machines were huge and needed at least 4 operators, hence, the Nilfisk C1 changed everything and developed the method we clean forever. The genius behind these very first cleaning equipment remains unparalleled. Cleaning equipment provide an excellent solution to an existing dilemma; things get filthy and should be cleaned frequently, without too much effort.

Little by little, the company Nilfisk-Advance developed throughout the years. During the early 1980's the business grew more rapidly when the business became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance forward within the trade, aiming to be an active global player in making professional cleaning machines. Nilfisk-Advance is currently represented in every part of the globe due to steadily acquiring lots of small businesses to be able to grow their product range and presence in new markets. They are proud to provide different cleaning solutions to meet each need.
