

Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning machinery. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over sixty years of experience effectively manufacturing, designing, developing, marketing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are committed to giving new design concepts and top quality to be able to meet the diverse requirements of their customers.

TREK Cleaning Machines continually offers fresh design ideas as shown in their product development. They like offering products which energize both their dealers and their partners and offer production gains to their customers.

The team at TREK enjoys dealing with new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' needs and skills along with their comprehension of cleaning applications, along with owners' strong desire to significantly reduce cost through productivity gains.

The employees at TREK and their dealer-partners are really devoted to having both technical support and parts obtainable when it is required. Their high service devotion is amongst the core values in their customer service. Keeping their clients' cleaning machines functioning and ready daily is top priority. The company's top of the line technology delivers dependable machinery that ultimately lowers your cost of cleaning. The price, the service and the product all work together so as to make them the leader in the industry.
