

American Lincoln Part

American Lincoln Parts - Presently connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. In the business they are known in the industry as providing strong and durable equipment which satisfies all the needs of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery-operated walk behind version of floor scrubber together with the Clarke Company which is now likewise owned by Nilfisk Advance. Their production operations are mainly based in Springdale Arkansas. These kinds of scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to supply machines, parts and warranty service for these kinds of scrubbers which have both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility supervisors where efficiency and results matter. Recently, this floor scrubber model has been used by the architects in new construction projects like Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this particular sweeper scrubber on site because of the model's high standard of quality and utmost performance level for polishing concrete.
